

THE 2020 MOMPREENEURS CONFERENCE AND AWARDS TO BE POSTPONED TO A LATER DATE DUE TO COVID-19 CONCERNS

FOR IMMEDIATE RELEASE

MARCH 11, 2020—TORONTO, ON—Due to growing concerns and ongoing developments surrounding the novel coronavirus (COVID-19), and with the health and safety of the community being of the utmost priority, Mompreneur® Showcase Group Inc. has made the difficult decision to postpone the 2020 Mompreneurs® Conference including the announcement of the winners for the 2020 Mompreneur® Awards, previously scheduled for March 27-28th, 2020.

“At the heart of everything we do here at Mompreneurs®, community has and always will be our top priority,” explains Maria Locker, Founder & CEO of Mompreneur® Showcase Group Inc. “While it is devastating to put a hold on something that so many of us have been looking forward to, we know that it is in the best interest of our entire community, and we look forward to continuing our work in recognizing and celebrating female entrepreneurs in the future.”

Online offerings from the Mompreneurs® organization will continue to be in operation, as the team works diligently while keeping within Health Canada protocols and guidelines.

Valued stakeholders, sponsors, speakers, partners, members, and attendees can rest assured that the rescheduled event will deliver the same quality of experience as in past Mompreneurs® events. The organization will be honouring all tickets towards the newly scheduled event, with a date to be announced in the near future within the 2020 programming year.
