

REVOLUTION HER: THE MOMPREENEURS® ORGANIZATION
CELEBRATES 10 YEARS WITH REVITALIZED NAME, LOOK, AND
EXPANDED OUTREACH

Canada's largest business resource for women is thrilled to reveal their rebrand, RevolutionHER, empowering ALL women across every aspect of their life

FOR IMMEDIATE RELEASE--TORONTO, ON—The Mompreneurs® Organization, a trusted national network that supports, educates, and empowers female entrepreneurs across Canada, has formally announced its complete rebranding in celebration of its 10-year anniversary. [RevolutionHER™](#) is committed to creating impactful resources to enhance community, inspiration, education and empowerment for all women across every aspect of their life.

Built on the foundation of 10 successful years as The Mompreneurs® Organization, Founder and CEO, Maria Locker says that they knew it was the right time to evolve the network in order to bring to the masses what they have thus far kept to a very niche market of 23,000 female entrepreneurs.

“Women are not one-dimensional, and their experiences shouldn’t be either,” says Maria. “We are poised and ready to expand our support and reach for ALL women in ALL aspects of their lives - and we couldn’t be more excited!”

RevolutionHER™ is expanding to offer a supportive community for women worldwide, with a focus on inspiring events featuring relatable speakers centred on a wide range of themes and guided teachings in order to help women feel empowered. The organization is also proud to continue supporting the growth of Canadian female entrepreneurs while providing educational resources, content, and opportunities for current and future members through the organization’s non-profit arm, Mompreneurs® Momentum Enterprise of Canada.
